

Welcome to the New DAG website!

If you have any comments or ideas as we revamp the site, please contact us. ...

We are looking forward to having lots of new content up soon as well as all of our archived articles.

Please visit the galleries. We are still updating them so keep checking back. Please do not submit new art for the galleries right now. We will send out a request when we are ready.

We want to thank Erin and Matthew Wishek for their assistance in setting up the new format for the Digital Art Guild webzine.

Wishek Enterprises - Helping Artists Create a Presence on the Web www.wishek.com

Here is a screen grab from the original DAG webzine. Many thanks to Miles Garrett for crafting the original website. The logo, designed by Don Garrett, Jr., remains on the new website.
